# Regis Compliance

## Electrical Compliance Delivery Partner

Governance-led electrical compliance delivery supporting Tier 1 contractors, NHS Trusts, Councils and FM providers.

## What We Deliver

Audit-ready inspection, testing and remedial works delivered within framework, DPS and call-off contracts.

## Core Services

• EICR – BS 7671 Inspection & Testing
• Emergency Lighting Testing & Certification
• Fire Alarm Testing (Managed Systems)
• Remedials & Compliance Upgrades
• Planned & Reactive Maintenance

## Delivery Model

All works delivered under approved RAMS, coordinated with site teams, with clear escalation, variation control and full close-out documentation.

Available as a Tier 2 / Tier 3 delivery partner for frameworks, DPS and call-off contracts.
