

Anonymised Case Studies

NHS Acute Hospital – Electrical Compliance Support

Scope: EICR and emergency lighting testing across occupied clinical and support areas.

Delivery: Out-of-hours coordination, RAMS-aligned testing, phased reporting.

Outcome: Audit-ready documentation supporting Estates assurance and risk close-out.

Local Authority Housing Stock – Compliance Programme

Scope: Periodic inspection and remedials to common parts.

Delivery: Coordinated access, defect escalation, staged remedials.

Outcome: Improved compliance position and clear landlord records.

FM Portfolio – Commercial Buildings

Scope: Planned inspection and reactive support across multiple sites.

Delivery: Standardised reporting and call-off mobilisation.

Outcome: Predictable delivery and reduced compliance risk.
